Application Materials

1. **Cover Letter**: Please submit a 1-2 page cover letter with this application form. In your letter, please introduce yourself to the faculty. Share with us your background and your current interest in movement studies.
2. **Resume**: Attach a resume/curriculum vitae with your application.
3. **Video Submission**: The IMS Certificate Program is a professional training program in movement studies and is taught through the medium of movement. Professional dance or movement training is not required, but experience in movement and a willingness to learn through movement is important. As such, we have found it useful to request a short video from applicants.

Video Content

1. **Movement Sequence** - please videotape yourself performing a short movement sequence that is no more than three minutes in length. This sequence may include any kind of movement you feel reveals your movement skills.

2. Spoken Sequence – Our desire is to hear you speak about what is important to you about attending the IMS program. Please address the following question in two to three minutes:

Question: *Why do you feel that certificate level study of the LMA/BF material is the desirable next step for your personal and professional development?*

Video Submission Format

Please submit the video as a URL link. List the URL link in your application form. NOTE: The video should be viewable by public/unlisted access on websites such as [YouTube](#) or [Vimeo](#). For assistance or questions about the technology, please email imsmovement@gmail.com and IMS will get back to you.

4. **Recommendation:** We request one recommendation letter from a person who can discuss your ability to pursue professional, in-depth study in movement practice, theory and application. S/he may email or mail his/her letter to IMS at the time of your application (see “Application Mailing Information”).
5. **Application Fee:** Please send a **\$100 non-refundable application fee** to the mailing address listed below. Checks should be made out to IMS. If you want to use PayPal rather than a check, follow these directions. There is a \$3.50 fee charged by PayPal.

To pay via PayPal:

- Log in to your PayPal account.
- Click Send & Request at the top of the page.
- Click pay for goods or services.
- Send \$103.50 (additional \$3.50 for PayPal fees) to imsmovement@gmail.com.
IMS will acknowledge your payment.

Optional Prerequisite Courses – IMS does NOT require prerequisite courses

In order to give the prospective applicant a "taste" of Laban/Bartenieff Movement Studies, and to allow them an opportunity to experience the scope of the material and the IMS teaching methodologies, we suggest, but do not require for application, the following introductory work prior to the beginning of the IMS Certificate Program. Please check the IMS website for upcoming introductory workshops or contact Janice Meaden at jmeadenims@aol.com.
